Do You Realize

That the greatest war of the ages is now devastating our world?

That a far more important struggle is to follow, the moral struggle to make another such a scourge impossible?

That The American Peace Society has been working for nearly a century to abolish wars?

That The American Peace Society is still working to abolish wars?

That The American Peace Society will continue its efforts to abolish wars until wars are abolished?

That The American Peace Society needs the help of every right thinking man and woman in America?

That therefore you should send today one dollar and become a member of The American Peace Society?

That this one dollar will bring regularly to your door for one year the ADVOCATE OF PEACE?

That you need to think at last upon these things, think upon them until you act upon them, act upon them till the problem of colossal wars has been solved and solved forever?

That if you wish information about the peace movement you should write us today?

That the subscription price of the ADVOCATE OF PEACE, in all probability, will soon be materially raised?

That, last but not least, we want not yours but you?
